Today's Mesh Highlights

Top 3 edges where the Mesh simulation disagrees most with the market

🎯 GAME OF THE DAY

McNeese (+26.2%) is massively undervalued

(5) Vanderbilt vs (12) McNeese | 3:15 PM ET | truTV | South

Win Prediction (Mesh)

Vanderbilt 58.5%

41.5% McNeese

McNeese Edge = Mesh 41.5% - Market 15.3% = **+26.2%**

The market prices McNeese at 15.3%, but the mesh gives them 41.5% — a +26.2% edge.

With a 24% toss-up band in the simulation, there is real value here.

⚠️ UPSET ALERT

Upset Alert: Texas (+18.3%) — Market is way off

(6) BYU vs (11) Texas | 7:25 PM ET | TBS

Win Prediction (Mesh)

BYU 36.8%

63.2% Texas

Texas Edge = Mesh 63.2% - Market 44.9% = **+18.3%**

The market gives Texas just a 44.9% chance, but our mesh simulation puts them at 63.2% — a 18.3% gap. Tilt analysis shows a 18% toss-up zone, confirming this game is far closer than the line suggests.

⚠️ UPSET ALERT

Upset Alert: Texas A&M (+18.0%) — Market is way off

(7) Saint Mary's vs (10) Texas A&M | 7:35 PM ET | truTV

Win Prediction (Mesh)

Saint Mary's 41.3%

58.7% Texas A&M

Texas A&M Edge = Mesh 58.7% - Market 40.7% = **+18.0%**

The market gives Texas A&M just a 40.7% chance, but our mesh simulation puts them at 58.7% — a 18.0% gap. Tilt analysis shows a 29% toss-up zone, confirming this game is far closer than the line suggests.
